Community Grange

Yule Program Dec. 21

The Christmas program of Community Grange will be held at 9 o'clock following the regular business meeting called for 8 o'clock on Dec. 21. The guest is Mr. Arvid N. Holmberg of Springfield, a blind pianist who will entertain with carols and selections appropriate to the Christmas season. His ability at the piano will prove a most rewarding experience for all who hear him. During the program a brief service entitled "The Ten Commandments of Christmas" will be enacted with Mrs. Muriel Thayer as the reader.

Members of the Grange are reminded the Christmas boxes being provided for shut-ins and the Home and Community Service Committee would like any articles intended for distribution at this meeting.

The annual Christmas collection for CARE was taken at the last meeting of the Grange and 1056 pounds of food were made available for the CARE Food Crusade from contributions made by the members.

It was voted at that meeting to light the Community Christmas tree on the grounds of Granger School. The tree lighting ceremonies will take place on Dec. 20 at 6:30 p.m. All Grange members are urged to attend and join with other town organizations in this Christmas custom.

W. S. Co-operative

Increases Dividend

WEST SPRINGFIELD — Directors of the West Springfield Co-operative Bank have voted to increase the dividend on savings shares to 4 1/4 per cent, Earle C. Harvey, treasurer and executive officer, has announced. The new, higher anticipated dividend will be paid on February 9, Mr. Harvey said.

"Our dividend schedule will thus become 4 1/2 per cent on serial shares, 4-1/4 per cent on paid-up investment accounts and 4-1/4 per cent on savings shares," Mr. Harvey said. "Significantly, the dividends on serial shares and savings shares are compounded four times a year, which increases the earnings."

THANKS TO A FRIEND

By Edith LaFrancis

This photo was taken September 13, 1936 by Donald Shaw of Springfield and shows the Agawam trolley at the Connecticut line with Eddie Farrell about to put up the other trolley pole for the return trip to Springfield.

The picture is one of a dozen given recently by Donald Shaw, to add to the graphic record of Agawam's history.

Mr. Shaw died this week, aged 62, leaving one of the finest collections of pictures and data on trolleys and trains in this area. He was associate editor of a monthly publication, "Rail Service News", and had published articles in the Springfield Republican in 1940. He was paymaster on the Boston & Albany Railroad from 1923 to 1931 and worked in South Station, Boston for some years after that. He wrote the chapter on transportation for Wright's History of Western Massachusetts and was an enthusiastic member of the group who operate the trolley museum at Warehouse Point. At the time of his death he was employed in the purchasing department of Third National Bank.

Don Shaw always seemed to have a sense of time going by, there was no time for petty squabbling, he had so much to do, so many facts and pictures to gather before it was too late.

His efforts in behalf of local history will be appreciated for years to come.

"Mistletoe Hop" YMCA Christmas Dance Friday

The South Street School will be bristling with activity this Friday evening as a group of Junior High School students present a special Christmas Dance under the sponsorship of the Agawam Community YMCA.

Theme of the event is the "Mistletoe Hop." The dance will run from 7:30 to 10 p.m. A total of 21 junior high school students are serving on various committees planning the dance with Miss Jean Cressotti and Scott Macey serving as general co-chairmen.

Other committee members are: decorations, Patty Morrissey, chairman; Delora Argiro, Joanne Berkowicz, Cindy Mills, Don Smith, Glenn Hart, Mike Stefanik; publicity, Maureen Marsh, chairman, Betty Kida, Ann Marie

Charest, Ann Beshaw, Mary Lee Woishnis; refreshments, Susan Wallace, Diane Francis, co-chairmen, David Jeserski, Ed Della Pegorara; clean-up, Nancy Ledger, Craig Damon, and John Nathan.

The "Volaires" a local dance band have been engaged for the Christmas Hop. Featured are Richard Deni on lead guitar, Donald Progulski, rhythm guitar and vocalist and Lewis Fischer on drums.

Mr. and Mrs. Jack Moltenbrey are serving as advisors to the group.

VFW Children's Yule Party Sunday

The Veterans of Foreign Wars Post 1632 will hold their annual Christmas Party for the children of members, friends, and neighbors of the Post this Sunday from 2 to 5 p.m., at the Post Home on South St., Agawam.

The children's age limit is 1 to 6 years old. If you haven't registered your child do so before Friday, 5 p.m., so that all will receive a gift.

Santa Claus will be at the party to give the children their gifts. Refreshments will be served.

One of the biggest problems postal employees face is illegible handwriting. At Christmastime, when mail volumes skyrocket, this can become a major problem, Acting Postmaster Robert R. De Forge said today.

The use of ZIP Codes by mailers does help speed up the process because often if the city and state are unreadable the ZIP Code will direct the mail to the post office from which it will be delivered. Clerks in that post office, being more familiar with local residents, may be able to figure out the person to whom the mail should be delivered.

Another significant problem is the number of parcels delayed or actually undelivered because of poor wrapping or packing. Post-

Agawam High Rehearsing For 'Music Man' Production

Agawam High School is now preparing for production of "The Music Man" that will mark the 10th major production of the high school—nine of these have been full-scale productions of Broadway musicals. At present, activity is centered around tryouts for the major parts and the dance group, with some thought being given to scenery design.

This year starts one innovation with the obtaining of pro-

fessional help in the choreography and dance training for the show. Dominique of the Dominique School of the Dance is aiding in the selecting of dance groups and their training. He will also set up the routines to be performed in this year's presentation.

Forty girls responded to the first call for dancers. This is almost twice the largest number to turn out for any previous production. They are being drilled in basic steps by Dominique and will be selected after practice sessions during the next two weeks.

"The Music Man" will be presented in March by a large cast of students in what is hoped will be a new peak for performances by a student group.

Agawam High as a special feeling for this particular show since the Agawam High Band was selected to represent the state at the World Premier of the Warner Bros. movie in Mason City, Iowa, in 1962. Because of this feeling and also the nature of the show it is hoped that its production here in Agawam will be something special. One of the all-time greats of hit musicals, it is only fitting that Agawam High should be one of the first high schools to present it in an all student production.

Christmas Airlift

Washington
Weekend fliers of the Air National Guard are winging out over the Pacific in a giant airlift to take Christmas cookies, candy, gifts, and mail to servicemen in Vietnam.

The first of an estimated 75 missions will bring 4,500 pounds of home-made cookies from Fort Campbell, Ky., home of the 101st Airborne Division, and another 5,000 pounds of Christmas presents from Carswell Air Force Base in Texas.

The airlift, known as "Operation Christmas Star," was undertaken when it became apparent that gifts and mail for troops in Vietnam would exceed capacity of regular Air Force transportation.

Be courteous—treat the other fellow as though he is as important as he thinks he is.

PROMENADERS

Another banner! Two weeks ago a group of club members visited the Pioneer Valley Square Dance Club in Westfield and earned a new banner for the club. All those making the trip to Westfield were treated to an evening of top-notch calling by Horace Upham of New Hampshire. Our thanks to the Pioneer Valley Club for a real fun evening.

Last Friday evening the Agawam Promenaders held their annual Christmas party. The Christmas Party Committee is to be congratulated for the lovely decorations and the numerous door prizes that were awarded. The array of pies served by the Refreshment Committee provided everyone with his or her favorite.

At the conclusion of the dance an election of officers was held. Voted into office unanimously were: Jack and Barbara Kupec, secretary; Al and Dede Cowles, treasurer and Red and Dolly Fessler, refreshments. We are looking forward to working with these loyal club members during the coming year.

The next regular club dance is scheduled for Jan. 14 with guest caller Dick Mastriani.

Just A Reminder

Our Feathered Friends

The sight of a pair of ruffed grouse feeding in the woods and the joyous flight of snowbirds or juncos is a reminder that the season for feeding birds is here. Soon, now, the weed seeds will have disappeared from the roadsides and woods, and the winter birds will then be looking for another source of food.

Seed and suet feeders can be of several types and can be bought in any hardware or grain store, or can be readily made by the handyman. Of particular delight is one placed on or near a southerly-exposed window ledge, where one can watch from dawn to dusk the unending quest of the various birds for just the right seed.

Seed mixtures contain a sufficient variety to satisfy all of the birds that frequent the feeders. Incidentally, seed can be obtained from grain stores and supermarkets; the Massachusetts SPCA also at times has seed for sale in small quantities. A feeder designed especially for sunflower seeds, the particular delight of the chickadees, nuthatches and finches, can also be hung from a tree branch.

Do not forget the game birds! When deep snow and ice cover the ground, their food supply is cut off. Cracked corn tossed on the ground in a sheltered spot near where their tracks have been seen will take care of their needs. This type of feed will also attract morning doves by the dozen.

Whatever you feed the birds, be it seed, stale bread or doughnuts, be sure to follow a regular schedule all through the winter. To stop feeding after having once started can be serious, as the birds have come to depend on the feed you have put out for them.

One word of caution — when feeding peanut butter, be sure to add bird seed and melted fat and bread crumbs so that the mixture will pass more easily through the birds' tiny throats, thus reducing the possibility of choking the bird. Recipes for "bird pudding" mixtures appear in the daily papers several times during the winter season.

To discourage the marauding squirrels, a baffle should be placed under the feeder, particularly when it is mounted on a pole. Be sure the pole is at least ten feet from a tree—a squirrel has a long leap!

There are several varieties of birds that are ground feeders, so bear this in mind when filling the feeders and scatter a little on the ground nearby.

One last reminder — grit in the form of sand or ashes is needed for the birds to aid in their digestion, so make it readily available to them. And, too, they need fresh warm water in a shallow container for drinking.

Happy bird watching!

Figures compiled by the Maine Fish and Game Dept. bear out expectations that the 1965 deer hunting season would be a good one.

A check of all deer registration stations by the Warden Service reveals a kill of 37,270, increase of 1,965 over the 1964 harvest of 35,305. The 1965 deer kill figure is still subject to audit.

This year's increased kill marks the second year in a row with a higher harvest than the previous year. The deer kill in 1963 was 29,839.

The increased success during the past two years is attributed to a larger deer herd, associated directly with two mild winters in a row, during which little deer mortality occurred.

Hunting conditions were generally better in 1965 although some hot weather during the early part of the season and deep snow in Aroostook County near the end of the season plagued hunters.

Some areas of Maine saw lighter hunting pressure this year than in several previous years, possibly due to fewer non-resident hunters.

From the Vermont Fish and

Game Dept. we have this resume on hunting casualties during 1965. Reviewing the hunting casualties for the period of Jan. 1 through Nov. 30 of 1965 as reported by the Statistical Division of the Public Safety Department; 25 casualties resulted from the approximate 125,000 licensed hunters in Vermont. This figure represents two hundredths of one percent of the total hunters. The 2 fatalities, both bear hunters, represent 1.6 hunters killed per hundred thousand hunters afield.

Deer Kill Tops 1964

New Hampshire's 1965 deer season closed on Sunday, Dec. 5, with a higher kill than was recorded for 1964. Since hunters are permitted 48 hours in which to mail their deer coupon to the State Fish and Game Dept., final figures are not yet available.

The dept. had received 8,109 deer tags. Residents had submitted 6,099 and non-residents 2,010. The number of bucks killed were 4,696 and does 3,395. The total kill for 1964 was 7,586.

Alas

For some boys who are luckier than most, December means a special coming of age because it brings a long, flat box under the Christmas tree—and the first gun.

That first gun will signify many things in the years ahead . . . quiet places, rich days, and the intensely personal adventure of the field.

But for now, the gun is a recognition of coming manhood by those who know and respect the subject, and who honor its symbols. The new gun is one of these, a steel-and-walnut symbol of maturity and responsibility. Having that gun won't make you a man. But it is a sign, given to you by men, that you are no longer a boy.

Down through the ages, men's hearts have been kind and warm at the Yuletide. And it shall ever be so. We crave a respite from our difficulties, doubts and fears. We look to a new beginning with the realization that our basic happiness stems always from the Brotherhood of Man. We need each other, and without Good Will all our efforts, all our possessions, all our hopes amount to naught.

RC Gives Party

Last Thursday at Westover Air Force Base Hospital, the Agawam High Red Cross Council gave a Christmas party. Harry Camyre, president of the freshman class, distributed more than 80 individual gifts, dressed as Santa Claus. These gifts were contributed by home rooms at AHS. Pictures were taken, games were played, songs were sung, and a musical program was presented by two Agawam High students—all adding up to the happiness of the patients.

Basketball and Hockey

The first game of the AHS basketball season, which was played against Cathedral, ended in a score: Cathedral 63, Agawam 59.

Although we lost this game, it was a good, fast one. AHS students still have great faith in our basketball team.

A basketball game against Amherst was played last Monday in our home gym. AHS fans showed tremendous enthusiasm.

Yesterday the Agawam hockey team played their first game of the 1965-1966 season against Holyoke at the Coliseum.

Coming Events . . . Basketball game Friday and Saturday at West Side Carnival!! Basketball game Tuesday against West Side at West Side!! See you at both games!! . . . Tomorrow—hockey

Keep Oven Clean, Prevent a Fire

Many people have a roast or fowl for Christmas dinner. But no matter what you prepare, be sure the oven has been scoured before the cooking begins, says the American Insurance Association.

Accumulated grease in your oven or on the stove can cause a kitchen fire and destroy your Christmas dinner and possibly your home, too.

On snow and ice the interval between moving cars must be lengthened. In winter, half the posted speed limit may be too fast at times. Adjust speed to changing road surface conditions.
